# Light in the Shadows

*"Let your light shine before men, that they may see your good deeds and praise your Father in heaven." Matt. 5: 16*

## Interim Rector Reflections

There aren't many times when a Rector gets the chance to reflect on things accomplished. Life just always seems to charge along non-stop until one stops long enough to stop and looks back. As we enter our last few weeks of working together, some thoughts that have been gathering wool are coming together as more of a tapestry worth sharing. As of this writing, the vestry is busy with the diocese figuring out what will be important for St. Luke's in order to build upon the rich time that we have shared together for a year and a half.

I think St. Luke's is at a cusp—things could go either way. You could return to the comfortable ways from the days of yore ("The Banner Years" as the latest glossy picture poster says) or you can step out and keep trusting that God's Spirit is leading you...which is what I believe. Here is some evidence that supports my thinking:

- There are at least **twelve new people** who have been coming regularly and are now in our new updated and reprinted **Directory**.
- There are at least **seven families** "from the diaspora" (members who have drifted on outer rings of the parish) representing seventeen folks who have moved significantly closer in their orbit because they worship more regularly and are currently involved in some aspect of ministry at St. Luke's.
- There are at least two more families I have seen who seem to be pondering a return.
- Of those above, there are nine children represented and one youth who will be doing childcare next year who did not participate that way in the past.
- **This past winter** two families donated a total of \$5,500 so we could continue worshipping in the church building. This enabled the children's program to get a footing in establishing some routine and spiritual learning for the children. We have tracked the oil usage as well as attendance (to compare to last year) and hopefully that data will be available soon.

Grillmaster, Lew Watters, is ready fire up his grill for St. Luke's Annual Parish Picnic on Sunday, June 8.

## Recognition Sunday & Parish Picnic On Sunday, June 8

We've endured the harsh winter and seemingly endless snowstorms and can now look forward to St. Luke's **Annual Parish Picnic**, to be held on Sunday, **June 8**, right after the 10:00 a.m. service. This Sunday, also known as "**Recognition Sunday**," is an opportunity to express our gratitude to all persons who play key ministry and leadership roles at St. Luke's. In addition our Senior Warden, Kathryn Wright, will be announcing the recipient of the "2014 Good & Faithful Servant" award.

Following the service everyone is invited to gather on the back lawn (weather permitting) for a picnic lunch. The traditional picnic entree (hamburgers, hot dogs & rolls) will be provide and parishioners are asked to contribute their favorite side dishes such as hot or cold salads or vegetable dishes, desserts, chips or other finger foods. Please contact **Bonnie Watters** by phone 875-2114 or email: [lewbon@vermontel.net](mailto:lewbon@vermontel.net) to let her know what food dish you will be bringing. Mark your calendars and join us as we gratefully celebrate our many blessings this past year.

### From the Senior Warden

#### He Walks Among Us

During our recent Vestry retreat, our spiritual leader for the day asked us to imagine that Christ was in the room with us. What would it feel like? Would we know Him or would He appear in another guise that we wouldn't recognize? When she sent us outside to stroll down a dirt road or across a field in silence, I imagined that Jesus was walking with me. It was an exhilarating thought, and it's continued to intrigue me in the weeks since the retreat. I've been really attentive to the people around me, looking for Jesus among them, not knowing what I would see if I was successful.

I thought perhaps it would be great compassion I'd find, or good works, or mercy or beauty, but it turned out to be God's love I found. I found it trotting around Willard Hall, shining out of Saul Whalen's sweet face. He patiently waits in a sea of knees to pass The Peace with us, and takes communion with solemn concentration. He performs the same miracle again and again, lighting the sternest and saddest of our faces with joy every time he appears among us. We are so blessed with his presence. I'm glad he wore his Superman suit today.

*Blessings to each of you,  
Kathryn*

#### It's Not Too Early For "Silent Auction" Contributions

As I write this it is Memorial Day, for some the start of summer. Can the August Supper be far behind? Again, this year we will have a "Silent Auction" as part of the August Supper held on Saturday, August 2, 2014.

It is not too early to think about what your contribution might be. This event is always a wonderful showcase of parishioners' talents. What talent do you have that others might bid on, all for a good cause? Past offerings have run the gamut from homemade beer to meals to gardening to dog training. Please call **Bill Hoyt** at **824-5055** or email at: [Bhoyham1@myfairpoint.net](mailto:Bhoyham1@myfairpoint.net) with your ideas.

#### Interim Rector Reflections

(continued from page 1)

Personally, I think it was worth it. A number of our new members began to attend over the winter and have kept coming.

- Speaking of which, we had a full year of **Children's Formation**—weekly!!! Running a weekly program is pretty daunting but thanks to several faithful parishioners, we mapped out a strategy and managed to keep it going from Advent through June 8. This program also enabled a number of parishioners to come visit with the children and share their unique ministries with them. Music, crafts, Godly Play stories have all enriched this time with our children. Research shows a child needs to form about five or six significant relationships in a church community in order for them to stick with "church" as they grow older. We are heading in a good direction.
- This winter saw us **add two young acolytes** to our worship leadership ranks. They were wonderful!!!
- **The Lunch Bunch Book Group** has decided to continue together after I leave. In a recent reminder of what chapter to read from Henri Nouwen's book: Can You Drink the Cup? this was added: "...please feel free to bring your thoughts and reactions to this section. What does having to hold our own cup mean? Where is God in this picture? Other thoughts?" The exciting part of that question is that it came from a lay person who is tapping into her own faith journey and bringing that spiritual leadership forward to others. Wonderful!
- We have a number of folks who are connected to **Diocesan activities**: Kathryn Wright, our Senior Warden, serves on the Diocesan Council as well as the Finance Committee for the diocese. She is also a Safer Church Trainer for the diocese. Jean Hancock is our Stirrings of the Spirit representative as well as a Companion in Transitional Ministry. Kathryn, Jean and Jane Davis will be our reps at convention this year.
- **Outreach** has found its footing again and with fresh leadership is asking good questions and examining this ministry at St. Luke's. This includes involvement in the greater community through the monthly Saturday community lunches.
- And speaking of community involvement, we cannot forget to mention the annual **Lego Contest** that is bursting at the seams each year—also the new "Sale on the Screen" in September that is still evolving in its mission.
- **The Worship Committee** has been involved this year in helping to shape some pieces of our liturgy such as the Prayers of the People & the Healing Prayers each week.

*Continued on page 3*

## Interim Rector Reflections

(continued from page 2)

- **The Choir and new Musical Director** are steadily developing this ministry together. The addition of choir members for Easter added so much to our worship and now there is at least one new member singing in our ranks. In addition, our Musical Director is a composer and has produced his first CD of original music!! Hopefully a concert of his music will happen soon. Jacob is also working with Gethsemane in Proctorsville...could it be possible that a mutual concert with these two Episcopal congregations might be possible one day?
- **The Office Guild** has been “learning the ropes” of keeping an eye on all things administrative as best as they can, given they are only available a few hours each week. Computer work, mail, scheduling for lay readers and liturgical leadership, monitoring the answering machine and “figuring things out” will assist the next clergy leadership to arrive at St. Luke’s.
- There is some renewal happening in our formal welcome to newcomers as **Progressive Dinners** are resurrected in addition to the renewal of **Quarterly Saturday Night Suppers** with a program theme. These are in addition to the ongoing life that gathers all for meals around faith and fellowship throughout the year.
- And last but certainly not least, our gathering space in **Willard Hall** as well as the classrooms and office area is newly spiffed up—cleaned, painted, refurbished, doors moved, new lighting installed and ready for the ongoing life of St. Luke’s.

These are all important signs of the Spirit at work in St. Luke’s—but you are at a point of decision as to how to go forward or rest comfortably back. It is my prayer for you that you continue to listen to God’s Spirit at work among you. Ask questions. Seek answers. Take a chance. Have fun. Give in to adventure. Step out in faith and do not be afraid. God is leading you into God’s future and what fun it is along the way of getting there. Oh, and don’t forget to trust that God is in the front seat driving the bus!

*God’s Blessings,  
Rev. Carole*

## Young At Heart

[Christ] wants a child’s heart, but a grown-up’s head. He wants us to be simple, single-minded, affectionate and teachable, as good children are; but he also wants every bit of intelligence we have to be alert at its job, and in first-class fighting trim. —C.S. Lewis, *Mere Christianity*

## Next Steps In Our Search For A Rector

On Thursday, May 14 the Ministry Discernment Committee met over dinner with Bishop Ely, Canon Lynn Bates and our Vestry. She led a discussion of the narrative questions and the Office of Transition Ministry (OTM) Portfolio for comments, suggestions and clarity. This Diocesan input helps us understand how prospective clergy will view St. Luke’s. It also provides an opportunity to insure everyone is on the same page with regard to compensation. Bishop Ely commented that we have gone deep into our history with nothing hidden under the rug. We have an attractive portfolio that should draw an interesting range of candidates. Lew then walked the group through the church website, again with comments and suggestions to insure clarity since interested clergy usually visit a website first. You can see changes already, and comments and suggestions are especially welcome going forward.

On Sunday afternoon, May 18 MDC gathered off site at NewsBank Conference Center with our Diocesan Companion Ann Cooper and Peter Smith, a facilitator from the Diocese. This important meeting provided MDC with an opportunity to share our deepest thoughts on how we work as a team with a goal of building cohesiveness going forward.

After the OTM Portfolio, reflecting the final changes, is approved by the Vestry, it will be posted by Canon Bates on the Episcopal Office of Transition Ministry website. We will then carefully and faithfully review approved names submitted by the Diocese.

*Your Brother in Christ,  
Lew Watters, MDC Chairman*

## Beauty In Brokenness

Leonard Sweet, author of *Strong in the Broken Places*, describes a style of Japanese pottery called kintsukuroi. It’s the art of repairing pottery with gold or silver lacquer, leaving the piece more beautiful for having been broken.

God is like a kintsukuroi potter, healing and staying near to the brokenhearted (see Psalm 34:18; 51:17; and 147:3). Instead of ashes, mourning and despair, God provides “a crown of beauty,” “the oil of joy” and “a garment of praise” (Isaiah 61:3, NIV).

Although earthly brokenness brings pain, the Master Creator can turn it into something amazing that glorifies him. When life seems to fall apart, remember that our powerful God can make you more beautiful for having been broken.

### Hit The Road

When a teenager received his driving permit, he asked his father, who was a minister, if they could discuss use of the car.

His father said, "I'll make a deal with you. You bring your grades up, study your Bible a little and get your hair cut, and then we'll talk about it."

A month later, the young man returned to continue the discussion. "Son, I've been real proud of you," the father said. "You've brought your grades up and studied your Bible diligently, but you didn't get your hair cut!"

The teenager replied, "You know, Dad, I've been thinking about that. Samson had long hair, Moses had long hair, Noah had long hair and even Jesus had long hair ...."

"Yes," the father said, "and they walked everywhere they went!"

## The Vestry On Retreat

The Vestry Retreat began on Friday evening, May 16 with a potluck supper hosted by Bill & Julie Hoyt's at their home in Weston. The only agenda for the evening was to relax with our spouses and share good conversation and food. Lillian Willis's hot, smoked kielbasa hors d'oeuvres were a big hit, especially with "Lulu," one of the Hoyt's menagerie of dogs who kept trying to steal them from the plate. Bill's famous roast turkey was the main entrée, with other vestry members providing scalloped potatoes, broccoli, quiche, and a tossed green salad as side dishes. Lynda Farmer made a sinfully dark chocolate layer cake and blueberry pie for dessert. Following dinner, Bill expressed our heartfelt gratitude to the Rev. Sanford Johnson, who has remained a steady anchor, keeping St. Luke's from drifting at sea while we awaited the appointment of an Interim—and to Senior Warden, Kathryn Wright, for her outstanding leadership and commitment throughout this year of transition. Six vestry members were able to attend the second day of the retreat held at Saint Joseph's Dwelling place in Ludlow. The morning began with breakfast and a brief business meeting. Catherine Joanne, the spiritual director, then led us in prayer and song. The focus this day was on Luke 24:13-35, the scripture passage about "The Road to Emmaus" ...reflecting on how the early faith community came to recognize Jesus. Catherine asked us the prayerful question:

L\_R: Bill Hoyt, Lillian Willis, Jane Davis, Kathryn Wright, Pat Fromberger, and Richard Crocker enjoying the sunshine at Saint Joseph's Dwelling Place in Ludlow, VT.

How do we recognize Jesus in our midst today? What would we do and say? We spent part of the morning, finding a quiet spot on the lovely grounds, to meditate on these questions and later paired off in twos, again to share our thoughts. Some wonderful insights were the result (see Kathryn's Senior Warden reflections on page 2.) Following lunch, the retreat came to a close with Breaking of the Bread. It was a day filled with glorious sunshine, spiritual enrichment and a deepening of the bond and special friendship we share as members of the vestry.

## Children Learn About LITS And The Good Shepherd

The "Meet the Minister" person for the May 11 session of church school was **Pat Fromberger** (LITS editor.) She shared how "*Light in the Shadows*" got its name. How the light of Jesus shines out from our faces, by the smiles we give to one another; whenever we share a candy or toy; or when we tell our stories to one another. She told the children that LITS is our church newspaper in which we all share stories (children and parents) and encouraged them to write or draw something about church school for a future issue. So, Sophia, Penny and Aurora we hope you will send Pat something next month! Since it was also "Good Shepherd Sunday" that day, **Lew & Bonnie Watters** prepared a special craft project for the children (making sheep collars.) See the photos. They learned that Jesus is the Good Shepherd and why we should follow Him.

Sophia & Penny Buchanan model the Good Shepherd collars they made at church school in May.

• **June Church School:** The first two Sundays in June will mark the end of scheduled classes until fall. On June 1 Lew & Bonnie Watters will finish name buttons for new members, talk about the Holy Spirit and make a colorful hands mural for an activity. Recognition Sunday on June 8 will offer an opportunity to recognize nearly perfect attendance, great ideas and a surprise.

## The Outreach Corner

### PINS Summer Camp Collection

**P**INS (**Partners in Service**) will again have a collection of items for foster kids or kids from families in crisis who will be attending overnight or day camp this summer. PINS works with the Department of Child and Family Services out of the Springfield office to assist foster families and families in need. PINS mission is to promote the well-being and successful development of children and youth served by Vermont's Agency of Human Services Department of Children and Families through creating and supporting partnerships between faith communities and human service organizations.

There will be a collection container in the back of the church until **Sunday, June 15th**. Donations for camp include: dufflebags, backpacks, insect repellent, sun block, beach towels, beach shoes/flip-flops, sleeping bags (clean, used are OK), kits of toiletry articles, flashlights, and journals and pens.

Many of you must have good memories of your own camping adventures and realize the rewards of those experiences. Foster families survive on a tight budget so receiving items necessary for camp would be a blessing for them.

St. Luke's is the only church in the area that sponsors this summer camp collection. Your generosity is greatly appreciated.—*Marcia Clinton*

### Operation Christmas Child News

**T**hank you so much for the covers and the other recyclable materials you have been saving. We could use a lot of clean cardboard egg cartons to make Mancala games and catapult games. We now have 56 boxes of crayons and lots of pencils. We also have 97 bars of soap thanks to the travellers who have been saving them. If you are going on vacation this summer, please think of saving your soap for Operation Christmas Child.

We are holding an **Operation Christmas Child Workshop** at St. Luke's on Saturday, **June 21, 10:00 a.m.-2:00 p.m.** in Willard Hall. Please join us in making toys and games for the shoe boxes—for an hour or whatever time you can spare. Refreshments will be served. No talent is needed to help us. We will be working on little felt animals and file folder games as well as other little toys. Call Cindy at 802-369-9063 for more information.

### Appeal For Notes To Soldiers

**P**lease keep our soldiers in your prayers and take a few minutes to write a card for them after the church services on Sundays. Our dedicated men and women love to hear from us and to know they are not forgotten. They especially love hearing from kids! There are cards in Willard Hall for your convenience. Thank you!

### Will You Come To A SNS?

**O**ne of our treats is always to see Everett and Eben Mosher on Halloween. They are two of the few visitors we see in costume. But it was a delight to see the boys with their mother, Amy, at the **Saturday Night Supper** with our guest speaker Claudio Veliz. He mesmerized the boys who were up on the astronomy subject, and able to answer the Astronomer's questions. Everyone went away a little smarter about what Sister Earth might look like and when it might be seen.

The night was full of surprises. The sign up was small and we added hot dogs and burgers to the menu. A couple guests learned Lew's barbecuing tricks and about 20 guests devoured ten pounds of burgers and dogs. Visitors mightily outnumbered us parishioners. One sweet benefit was the eight quilters, staying at the Fullerton Inn, who saw the sandwich board on the sidewalk and came to eat and bought two St. Luke's Cookbooks, too!

We are talking about holding one more SNS, as they are

affectionately known. Rudy Winston will do a photography show this fall (date to be determined.) If folks get behind this idea we will continue. Talk to me about it. It was just such a night of learning and great food that brought Rudy & Cindy to St. Luke's years ago. —*Bonnie Watters*

### Pentecost Power

Poet William Blake (1757-1827), who's been described as a passionate, Pentecost kind of person, wrote this poem about the Spirit's power:

**Unless the eye catch fire,  
The God will not be seen.  
Unless the ear catch fire,  
The God will not be heard.  
Unless the tongue catch fire,  
The God will not be named.  
Unless the heart catch fire,  
The God will not be loved.  
Unless the mind catch fire,  
The God will not be known.**

## Newcomer's Dinner Is Progressing Nicely

It is agreed among all the who are guests or hosts that the venue for both the Spring and fall newcomers' dinners is just about as good as it gets. No matter the weather, no matter the place, these two special celebrations in our parishioners' homes are hospitable and full of great conversations and connections.

Nine newcomers have been invited, and we have heard so far that about half of them will join us on **Friday evening, June 6** (no snow expected)! Carpooling spot is the church at **5:45 p.m.** The special spot for appetizers and wine, beginning at **6:00 p.m.**, is with **Ian and Polly Montgomery** in Bartonsville in their new studio that will feature Ruth Harrison's art. Next we head to the historic Stone Village and the **Watters'** abode, where people will enjoy a couple of barbecued meats accompanied by special potatoes and your salads and vegetable dishes. We then head to beautiful Andover and **Red and Adelaide Johnson's** Hilltop spot for delicious desserts. It will be all about as perfect as it can be, bringing back the foyers we old-timers enjoyed in the olden days!

Our guests will feel very special. For those newcomers who cannot come on June 6, we will be planning another celebration in the fall. —*Bonnie Watters*

## You Are Invited To A Farewell Reception For Rev. Carole Wageman On Sunday, June 29

The Rev. Carole Wageman's last Sunday as St. Luke's Interim Rector, is **Sunday, June 29th**. A reception will be held immediately following the ONE Service (10:00 a.m.) that morning, to express our thanks for her ministry and to bid her farewell. These past 18 months Rev. Carole has shepherded us through some difficult situations, helped revitalize Church School, got our church records shipshape, formed a volunteer office guild, and offered new opportunities for adult learning, just to name a few of the many things she initiated during this span of time. She has been a steady leader, keeping the Ministry Discernment Committee, Vestry, and the parish on target as we journey through this transition time of preparing for a new rector.

Rev. Carole has touched our hearts with her thoughtful and spiritual sermons and with her joy of life and wonderful sense of humor. We invite everyone to join us on **Sunday, June 29**, to say thank you and to extend well wishes. **Kathryn Wright** will be asking church members to provide special finger foods and other goodies for the reception. Please be sure to sign up on the sheet at the back of the church, letting us know what you can bring and indicating how you can help.
