APRIL 2013

*"Let your light shine before men, that they may see your good deeds and praise your Father in heaven." Matt. 5: 16*

## Practicing Resurrection

**H**ave you had your Alleluia today? While bulletin inserts can sometimes carry more information than I might want to digest, I am pretty excited about the Episcopal Church in Vermont bulletin inserts we have begun seeing in our Sunday bulletins during Eastertide! These are proclaiming "Christ is risen...For Real!" by offering up the idea that commitment to the Risen One comes not just in words only but in "practicing resurrection." I like that idea of "practicing resurrection" so that "we are visibly and actually Christ's hands and feet and eyes in the world." After a unanimous and resounding "Yes!" at our last diocesan convention, the *Alleluia Fund* was established to "offer an opportunity to support new, existing and expanding ministries in our own communities and around the world."

*"Practicing resurrection is the mystery of ministry you never know what God might be up to until you give it a chance to blossom."*

*—Rev. Carole Wagemen*

God showers upon us all the time.

• **Expanding:** "It only takes a spark to get a fire going and soon all those around will light up with its glowing. That's how it is with God's Love, once you experience it—You want to pass it on!" New things are being birthed all the time. Watch how they grow.

The *Alleluia Fund* is a once-a-year appeal during Eastertide. The informational inserts coming our way each week during these few short weeks will outline the specific ministries being supported during this year's appeal. AND—guess what? 100% of what you generously give to support

• **New:** as in 'wild and crazy ideas' dreamed up by 'wild and crazy Christians' (from Vermont, mind you) that just might generate exciting and innovative expressions of what it means to be Christ's heart and hands in the world.

• **Existing:** because there is some pretty neat stuff percolating around our Church in Vermont that is enabling our faith-filled sisters and brothers to be stewards of the blessed abundance

## LEGO Contest Wows Judges And Viewers

**O**ver 150 adults and young people gathered for St. Luke's 2013 LEGO Contest on Saturday March 2. Participating LEGO enthusiasts came from 12 towns in Vermont and six in New Hampshire. The 44 entries (up by over 20% from last year) by children PreKindergarten through Seventh Grade provided imaginative constructions that intrigued and inspired both younger and older on-lookers. Individual, team, and family entries were judged by grade for originality, imagination, and presentation.

Cole McLaughlin (grandson of Sanford & Bonnie Johnson) won 2<sup>nd</sup> place in the Second Grade division for his "Police Boat."

Judges Chris Meyer of Chester, VT, and Chris Johnson (son of Sanford and Bonnie) of Concord, NH, spoke with each of the participants to learn in detail the aims and special features of their designs. The judges' positive comments to each of

## From the Senior Warden

### We Are Delighted

Each of us has a duty to experience delight in what we do for the Lord. We are called to obey Jesus' teachings, including rejoicing in the world that God has made for us. At St. Luke's, our worship together reflects the joy we experience in sharing our delight with one another.

We delight in the heavenly music of our organ, our choir under Martha's direction, and Mary's beautiful flute.

We delight in the beauty that Adelaide and her Altar Guild prepare for us, and the beauty of the ceremony of the Eucharist.

We delight in the beautiful paintings that Ruth shares with us in Willard Hall.

We delight in the sparkling cleanliness and order that Bonnie and Lew prepare for us.

We delight in Cindy's marvelous mission for Operation Christmas Child.

We delight in the food that so many lovingly prepare for us.

We delight in our beautiful gardens, painstakingly tended by Marcia, Lillian and David.

We are a delighted bunch of souls, doing our small duties for Christ "with gladness and singleness of heart," and I am delighted to be one of you.

I look forward to praying with each of you, and working with each of you to develop a timeline of St. Luke's history at our **Parish History Meeting on May 8**. We'll go off-site that evening to share soup and bread and memories, and develop the parish history that we will share with the candidates who express an interest in becoming our next Rector. Please mark your calendars and plan to attend and pray and contribute your memories. This is an important task in the search process, and we can only complete it together. I hope to see you there.

*Your sister in Christ,  
Kathryn*

## April Formation Focus

This month's Formation Focus is centered on some resources about **Earth Day, April 22, 2013**. After all, we live, breath and have our being on this fragile earth, our island home...so like our homes that need maintenance to keep them from collapsing around us in the middle of winter; so, too, does our planet need our attention and stewardship. It doesn't hurt to pay attention at least once a year. Check out the following sources:

## Practicing Resurrection

(continued from page 1)

the "practice of resurrection" in the *Alleluia Fund* goes toward supporting and enhancing program ministry and outreach in our Church in Vermont—not to fix a building or support administrative overhead but to give life to real soul-stretching ministry with our neighbors here in Vermont and also around the world. And once Eastertide is over—that's it for the "appeal-ask" for the year! What a deal!

Practicing resurrection is the mystery of ministry—you never know what God might be up to until you give it a chance to blossom. So, please be generous with all that God has already given you. "God is growing something wonderful among us". The *Alleluia Fund* might just create the means to 'practice resurrection' every day!

*Blessings,  
Rev. Carole+*

Tuesday of Holy Week will see our own beloved St. Luke (our namesake) taking on Oscar Romero (modern day martyr). [Go Luke!!!] The winner of each of those rounds will play out in the "Golden Halo" Round on Wednesday (March 27). By the time you receive this, the winner will have been crowned; 2013 LENT MADNESS will have concluded for the year and the winner will have been announced in church on Easter morning. In case you missed church on Resurrection Sunday, we'll be sure to put the final outcome in the next LITS...or you can check it out yourself at: [www.lentmadness.org](http://www.lentmadness.org) Hope you enjoyed this innovative learning opportunity during Lent as we learned how the lives of ordinary people have been changed by an extraordinary God.

## How Is God Working In Our Midst?

This is the fundamental question the **Ministry Discernment Committee** seeks to answer in our search for a Rector at St. Luke's.

Your committee has now met three times formally and once informally since our commissioning in January, and we are now moving into the serious planning work that will directly involve all the members of St. Luke's.

On Wednesday, **May 8** our first **All Parish Meeting** will begin at **6:00 p.m.** After sharing a light meal, prayer, and Bible study, we will all look into our past by creating a History Time Line together. God willing, our meeting will end promptly at **9:00 p.m.** Four questions will be our focus lead by your MDC members, Pastor Carole and an outside facilitator experienced in this defining exercise.

1. What events were going on in the World around us that affected our worshipping community? (Examples might be 9/11, the Second Iraq War, the housing bubble and economic collapse of 2008.)

2. What things/events were going on here in our parish that affected our life together? (e.g. The Chester Bridge closings, Tropical Storm Irene, departure of Father Paul.)

3. What things/events were going on with me personally that influenced my faith and participation in worshipping at St. Luke's? (e.g. Bible Study, book studies such as, *Changing the Conversation*?)

4. How am I feeling now about my church and me?

Here is a glimpse of how our evening together might flow. A Time Line will be posted and "salted" with a few events from MDC members. Group discussions and sharing will then add more content, hopefully from everyone as they are called by God to share. We will conclude with reflection and prayer. The Time Line will remain posted encouraging everyone to continue to reflect and add to our rich history, both the joyful and the sad. For those parishioners who cannot attend, we will provide a suitable questionnaire.

In the meantime, do not be afraid to seek out and discuss these questions and any other concerns you may have with the members of your Ministry Discernment Committee, with Pastor Carole, or our Vestry. Also, do let us know if you need transportation to and from this **All Parish Meeting**. Childcare will also be provided.

A Ministry Discernment bulletin board can be found in the church. The minutes of all our meetings, our charge from the Vestry and our own time line for reaching our goals are posted. Additionally, our church website now has a discernment page, with a link to the church photo server. <http://www.flickr.com/photos/stlukeschester>

## LEGO Contest

(continued from page 1)

Team Willis (Morgan, Field, and Carter of Chester) won second place in the Sixth-Eighth Grade Division for their "LEGOsonium" museum construction.

Odin Mitchell of Hanover, NH, won second place in the Kindergarten division for his "Staging Base Attack."

the participants let the contestants know what was most appealing or impressive to them and emphasized that the judges appreciated all the time, effort, and talent involved in each entry. So positive was the experience that many of this year's entrants are already planning what they will make for the 2014 contest!

At 12:15 p.m. right on schedule, LEGO prizes and participant ribbons

were awarded to the class winners and runners-up and to the entries in four special categories: Most Vermont, Judges' Choice, Best Team, and Best in Show. For a link to additional pictures of the 2013 LEGO exhibits or for a complete list of the winners, visit:

[www.stlukesepiscopalvt.org/Special Events](http://www.stlukesepiscopalvt.org/Special%20Events)

Proceeds from the contest aided the Church's General Fund and enabled St. Luke's to send a \$125 donation to the Children's Section at Chester's Whiting Library. To receive email notice next year about the 2014 contest, please email Lillian Willis at [lbwillisct@comcast.net](mailto:lbwillisct@comcast.net)

## Back In Time...

**B**ack in 1999, the St. Luke's youth group, under the leadership of Peter Bourgois, purged our backyard of brush and bushes in preparation for planting wildflowers in time for the October visit of the new bride and groom, Kate, our eldest daughter, and Dan who had been married in canyon in AZ. The flowers are gone and the couple flourishes, Kate as Volunteer Coordinator of the Grand Canyon Trust and Dan, Executive Director of the Whale Foundation. So where are those young people and their families today? I thought it was worth the look back in time.

Kate & Dan

**Peter and Carolyn** live in Prescott, AZ. Peter is working for the Yavapai Prescott Indian tribe as their planner. Carolyn, still nursing, is at Wickenburg at Remuda Ranch, an eating disorder hospital, as nursing house supervisor. Haley moved back home from Scottsdale. A culinary arts graduate, she's working at St. Michael's Bistro in downtown Prescott. Kelsey works as a housekeeper and receptionist at Granite Gate Assisted Living Home. We last saw them in 2011.

Peter, Kelsey, Haley & Carolyn Bourgois

**The Langston** gang survived Irene and is happy to have the Bartonville Bridge a reality again. Chris has a night job at the Brattleboro Reformer and is the day caregiver for his mom, Bebe, now 87. Karen has the evening shift, caring for gram and is manager of the Vermont Academy Bookstore by day. Elliott is Enrollment Coordinator for Continuing Education at Brown University and married Steffi in August. She is Director of the Triboro Youth Theatre. You will remember Brittany sang the national anthem at the opening at the Fenway a couple years ago. She works as a Senior Student Accounts Rep in the Bursar's office at the Berklee College of Music in Boston.

Tom, Margie & Marc DesLauriers

**Marc**, almost 27, earned his Master's Degree in Sports and Recreation Management from Ithaca College. He lives in Boston and has been a personal trainer at Healthworks, an all women's health and fitness facility in the Back Bay for three years. Tom, 23, lived in southern CA after touring the country playing in a few different bands as an accomplished electric guitarist. He too has lived in Boston for the past year, employed at the Boston Harbor Hotel, most recently as a front office supervisor. Margie is 17, a junior at Green Mountain actively beginning her college search and ready for it. She has had a foreign exchange "sister" for the entire school year and will visit her family in Marseille, France for much of the next summer. Margie loves her dance class, playing soccer and the drama club at school. Alison serves on both Green Mountain and River Valley Tech school boards for 20 years and teaches math at the Okemo Mountain School. John is plant operations manager at KioskoUSA.

(continued from page 4)

**Ben Whalen** married Barbara Stromberg at St. Luke's in 2010. Barb works at Vermont Telephone Company, and Ben is a 911 call taker and dispatcher for the Vermont State Police. Ben is also a Lieutenant on the Chester Fire Department. Little Porter, born July 4, 2012, is shown here with mom and dad during the Halloween parade 2012. Dad led the way with the fire truck. Ben's brothers Sean and Erin also grew up in St. Luke's. Many of you did not know their sweet mother, Kathleen, who died after a long-fought battle with cancer in November of 2006.

## March Vestry Meeting Highlights

The Vestry business agenda at the March 11 meeting started with some sobering discussions before ending on a lot of positive notes.

- **First** in the sobering category was the resignation, effective July 1, 2013 of **Martha Stretton**, our Organist and Choir Director. A committee of Rev. Carole Wageman, Jane Davis, and David Willis was formed to start the search process for a replacement.
- **Second**, was the **mold issue** in the basement. Engineers are currently giving recommendations to address the problem. Bids, work plans, and time schedules will be sought quickly from as many vendors as possible (ideally three) in order to apply for Diocesan grants to address remediation costs. The hope is to have the work start as soon as possible and schedule it around church events and commitments. Part of any grant match will be work done by parish volunteers in terms of supervising and painting, and any other likely segments that can bring down the cost of the work and speed up the process.
- **On the positive side** are additional improvements that are planned to be done during remediation. These include a consolidated and expanded bulletin board area to publicize the work of the parish while eliminating the present free-standing physical structures, new smart thermostats that

(continued on top of page

## Vestry Highlights con't....

will allow for setting the temperature up or down remotely for events, and other smaller building improvements to air quality and organization.

- **Treasurer Sally Hoover** went over the last month's finances. While income was down (presumably because of the shorter month of February and the number of parishioners who had gone south) the budget was generally on target and should anticipate greater revenue in the good weather ahead.
- It was reported that **Outreach Committee** chairman, Don Robinson, is in the process of contacting the organizations receiving church grants, to ask that they each sign up for a date to give a five-minute description of their organization after both Sunday services.
- **Rev. Carole** announced that she was taking vacation **April 1–14** after Easter, and that all pastoral calls would be forwarded to Senior Warden **Kathryn Wright**. She reported that Jean Hancock, St. Luke's contact for the Diocese's *Alleluia Fund*, had been trained and will make a presentation at the April 7 services about the fund and the specific ministries for which donors could earmark their support. The Diocese is providing information via bulletin inserts about the fund and the appeal that will start the Sunday after Easter.
- **The Vestry Retreat** will be Friday and Saturday, **June 7 & 8** at Jane Davis's house. It will focus on our spiritual growth and needs with the theme: "Water for Thirsty Spirits."
- Lastly, the **Vestry approved** a donation of \$125 to the Children's section of the **Whiting Library** from funds garnered by the LEGO Contest on March 2 (see article on pages 1 & 3) and also approved Bonnie Johnson's request to hold a *Pampered Chef* Party on Saturday, **April 20 at 2:00 p.m.** in Willard Hall as a fundraiser for the church.

## St. Luke's Financial Information

	<u>Feb. 2013</u>	<u>Year to Date 2013</u>	<u>% of Budget</u>
<b>Plate/Pledge Income</b>	\$ 5,949.00	\$ 17,114.33	16.71%
<b>All Other Income</b>	\$ 364.59	\$ 3,164.16	14.95%
<b>TOTAL INCOME</b>	\$ 6,313.59	\$ 20,278.49	16.41%
<b>TOTAL EXPENSES</b>	\$ 7,073.55	\$ 17,081.61	12.95%

As you can see, expenses outpaced income for February. However, we are still ahead by about \$3,000. Pledges are exactly where they should be so we can't suggest you get your pledges up to date. We are a little behind in the other 'income category' but this is due to the cyclical nature of that category and will even out over the course of the year. If everyone keeps up their pledges and does their share, this year should be a good one for St. Luke's.

## The Outreach Corner

### Operation Christmas Child Monthly Workshop

Everyone is invited to our next monthly Operation Christmas Child workshop on Friday, **April 19th** from **2:00-7:00 p.m.** in Willard Hall. We will be making things out of old jeans, felt creatures, and yarn balls as well as box decorating. You don't need any special talents to help us out. If you can cut, color, and glue, we need you! Come for a few minutes, an hour or more. Refreshments provided.

Please continue to donate shoe boxes, covers of every size, shape, and color, buttons, toilet paper rolls, cereal box cardboard, and anything else you think will be useful. Our "*Change For Children*" jar is now at the rear of the church, where we collect coins for the cost of shipping OCC shoe boxes. Just think if we save 2 cents every day (for a year) we will have the shipping for one box. Pennies are welcome!

### Knit-A-Square Wish List

The wish list for Knit-A-Square this year (besides 8-inch squares) is for knitted and crocheted items for the older children ages 4-9 years. They are looking for warm tops, hats that will fit an adult, scarves, socks, gloves, mittens, and homemade toys the children can cuddle. Patterns can be found at:

<http://forum.knit-a-square.com/page/patterns>

Our job is to love others without stopping to inquire whether or not they are worthy. That is not our business and, in fact, it is nobody's business. What we are asked to do is to love, and this love itself will render both ourselves and our neighbors worthy. — *Thomas Merton*

### St. Luke's Photo Server

Did you know that St. Luke's has a professional photo server where we can display an unlimited number of photos? It is part of Yahoo and there you will find photos arranged by "sets," much the same way we have photos in albums. You can find links to our flickr account on our church website, or just type the below address into your web browser.

### Maple Fest Dinner – The Best Ever!

The Maple Fest dinner held on Saturday evening, March 16th was the best yet. Just over 70 people feasted on a dinner with all foods having a taste of maple syrup. An array of delicious desserts also with a maple flavor complemented the meal. The raffle, which is fast becoming the highlight of the evening, had an assortment of over 30 treasures to tantalize guests to buy lots of tickets to stuff the cans of the items they wished to win. John Hoover our emcee, added suspense and fun to who will win what.

All told, this fund raiser was our most successful one. The dinner raised \$685, the raffle, \$223, and added donations of \$92 brought the total to \$1000.00.

The PINS committee wishes to thank everyone who contributed in any way to this success. We certainly could not have done it without you.

Every year we ask Robbie Wierzbicki, our resource coordinator at the Springfield Department for Children and Families, who could benefit from our assistance during the Easter season. We have been notified by the Springfield Family Services of 3 families who are in crisis and could use our assistance this year. The committee will be shopping to provide an Easter dinner to each family and boxes of extra food staples to tide them over their time of difficulty. We will also fill Easter baskets for the 8 children of these families who range in age from infancy to 8 years old.

The **PINS (Partners in Service)** mission statement is: To promote the well-being and successful development of children and youth served by Vermont's Agency of Human Services, Department of Children and Families, Family Services Division through creating and supporting partnerships between faith communities and human service organizations. A vehicle for putting faith in action, PINS projects and requests can involve the entire congregation in reaching out to vulnerable children in their communities. ## Pampered Chef Party – April 20th

**T**he Pampered Chef is coming to St. Luke's again on Saturday, **April 20th** at **2:00 p.m.** in **Willard Hall**. Fr. Sanford's sister, Amaret, will be joining us for a fun-filled afternoon including a cooking show featuring special desserts you can make at home as well as games and prizes. Of course, the highlight of the event is poring over the latest Pampered Chef catalogs and ordering those high-quality cooking tools and entertaining products that you've always wished you had or that you would like to give as gifts to the special people in your life.

**Catalogs and order forms will be available during coffee hours until April**

**14th.** Hopefully, everyone will take some to share with family, friends, and co-workers. Like the last party, orders can be placed online anytime up until April 24th; paper orders must be turned in to Bonnie Johnson by April 21st. Orders will be delivered to the Johnsons in New Hampshire before Mother's Day, or if preferred, shipped directly to the buyer.

In 2010, our Pampered Chef Party raised over \$600.00 for St. Luke's. We hope to surpass that amount this year but need your help. If everyone brings in at least three orders from friends and brings two people with them to the party on April 20th, we should easily reach this goal. And, as an additional incentive, the Pampered Chef will be awarding a special prize to the person who brings in the most outside orders.

Mark your calendars now and start thinking about spring parties and summer barbecues, made easy with your new Pampered Chef products. Contact Bonnie Johnson with any questions ([sanfordbonnie@hughes.net](mailto:sanfordbonnie@hughes.net), 603-876-4433).
