Light in the Shadows

“Let your light shine before men, that they may see your good deeds and praise your Father in heaven.” Matt. 5: 16

On The Path To Easter

*“Abide with us, that so, this life of suffering overpast,
an Easter of unending joy we may attain at last!”*

[1982 Hymnal #142, v5]

As I write this article, we are in the middle of Lent and the end seems a long ways off. Our passages for this season in Luke’s Gospel have been highlighting the long, dry, treacherous, curvy and rough road of Lent. This road appears to resemble this winter’s season that has seen so far a fairly dramatic range in relation to temperature and humidity.

I was telling a parishioner whom I was visiting last week about our pathway that leads to the entrance into the apartment building where Doug and I are living. This year’s unpredictable weather pattern especially in terms of the water and ice accumulation resulted in two courses of

action for us: 1) we had to plan on taking more time to reach our destination (the entrance door) and 2) we needed to walk at certain places an alternate path that was more indirect in order to reach the (by now!) greatly desired door. Ahh, the inviting door that, once inside it, welcomes all who enter it with warmth plus the promise of a certain access to our respective apartment unit.

Our Readings in Luke’s Gospel during this season of Lent have been particularly helpful to us as we have been

making our way through Lent. In our Sunday worship, we’ve been following the progress of Jesus’ rather long Lenten journey with the disciples that started somewhere in Galilee and that will end in Jerusalem. On the map that’s

God is offering
each one of us the
chance for the Holy
Spirit to open our
eyes so that we can
see things in a
different light
through the lens of
Christ’s light!”*

Join Us For A Traditional SEDER Meal On March 23

St. Luke’s Church invites you to participate in a traditional Seder Meal on Wednesday, **March 23** in Willard Hall, beginning at **6:00 p.m.** St. Luke’s began holding Seders in 2006, as a way of acknowledging our common Jewish biblical roots.

The Seder is a ritual meal that celebrates the Jewish festival of Passover. Christians, whose traditions are rooted in Judaism, share the Passover experience of a people enslaved and then redeemed when God brought them to freedom, to covenant, to a Promised Land. Through the centuries the ritual of the Passover has allowed each generation of Jews to relive their history and make the story its own. Through the ritual found in this “Haggadah” (the book of readings for the Seder service), Jews and

From the Senior Warden

Facing A New Challenge

As I begin this year as the new Senior Warden, I find myself somewhat daunted by the challenge ahead. Although I have served as a senior warden at St. Luke's in the past (1988-1991)—that now seems like eons ago. Much has changed since then—for one thing I was a lot younger and more energetic 25 years ago!

What has remained a constant for me over the years; however, is my faith in God and my love for this special community of believers. That faith was strengthened and matured under the spiritual guidance of two exceptional rectors (The Rev. Andrew G. Osmun and The Rev. Paul Brannock-Wanter) and three special interims (John Morris, Carole Wageman and Thad Bennett.) I have come to know and enjoy a special bond and relationship with many members of St. Luke's in my 38 years here—all having a deep impact on my faith journey through their witness, prayers and commitment to Christ.

I have now been given the privilege to work alongside Rev. Heidi as she begins her second year as our spiritual leader at St. Luke's. My prayer is that we will all continue in this strong fellowship, always seeking the Holy Spirit for guidance and always striving to share God's love with others.

I look forward to the year ahead and ask for your continued prayers and support.

Your sister in Christ,
Pat Fromberger

about an eighty-nine mile hike on foot they took and that's not counting the detours they made in order to heal someone or to teach about God's Kingdom about to come on earth. Imagine walking all those miles on a narrow and windy road with a lot of rocks to step on or over. In those days they didn't wear Birkenstocks!

St. Luke's this year is seeing its share of "rocky roads" this Season. Some of our members have slipped or nearly slipped on the ice, others of us have encountered inclement weather while traveling or have experienced delays. Circumstances in our lives have caused us to slow down a bit and to go about our affairs with more deliberation. That's Lent! In this Season, God is offering each one of us the chance for the Holy Spirit to open our eyes so that we can see things in a different light—through the lens of Christ's light! My hope is that we will come to accept God's invitation; that we will stay close to Jesus this Lent as Christ sheds His light on the path that leads to God's glory at Easter.

In Christ together,
Heidi L. Edson+

Christians can remember and share the momentous events of God's call and redemption: the Story of Passover. The service will be led by Belinda Whipple Worth.

As we celebrate the Seder at St. Luke's, we are mindful and respect the religious significance of the Seder to our Jewish brothers and sisters and have strived to include some of them in the planning and executing of the meal. The goat and lamb will be a gift again this year from the Haumanns of Misty Mountain Farm. Bonnie has secured the other elements of this special meal including the meringues and macaroons. The Seder is a family-centered affair and children have a significant part to play. It is rich in tradition and a time for joy, good eating, singing and celebrating God's redemption of us all. We hope you will come and share this event with your friends and neighbors. There is no charge but a freewill, love offering will be taken to benefit **Kids4Peace**, which is an interfaith community of Israeli, Palestinian and North American members (youth, families & educators) working together for a better future. Please make a reservation by calling the Watters' at 875-2114. Visit: www.stlukesepiscopalvt.org/special events for additional details about this event.

The message of Easter is not only that Christ is risen, not only that suffering is not the last word, not only that God gives new life, but this: Nothing is impossible with God.

Holy Week: A Pilgrimage Of Faith

Holy Week that signals the last stretch of our Lenten Journey will begin on the 20th of March, the Sunday of the Passion: Palm Sunday. At St. Luke's we invite you to take part in this life-changing journey as we join Jesus and the disciples for our Messiah's final week in the city of Jerusalem. With Jesus and the disciples this week, we are invited to participate in His final meal with the disciples in the upper room; to keep vigil as Jesus sends the night prayer; and then to follow Him as He is betrayed and then led away under false accusations to suffer death on a cruel cross. God's love for all humankind, thankfully, does not end in Jesus' death on the cross. We are invited to continue our journey as we go with the women to Jesus' tomb that stands empty.

The journey of Holy Week finds its culmination in The Great Vigil of Easter service where in darkness God's people gather in procession behind a single flame of light from a candle that will light our way until we see the True Light who is Jesus the Christ risen from the dead. Here it is where the solemnity of Lent and Holy Week are transformed by Christ's Resurrected glory into the joy of Easter that continues until all of us are drawn into God's Self as God's Community of Love in the world at Pentecost.

My prayer is that our path to God in this Season will continue to be blessed knowing that Christ walks with us every step of the way aiding and comforting us in our earthly endeavors. May our hearts be open to sharing in the grief and passion of our Lord so that we may also fully experience an overflow of joy knowing the salvation that is now ours thanks to Christ's victory over death at the Resurrection. —*Rev. Heidi*

St. Luke's Church Choir

by Bonnie Watters

This begins a new series of articles that I plan to write this year, spotlighting some of the special lay ministries that are such an integral part of our St. Luke's community of faith. Our St. Luke's Choir has been so sensational that it became my number one choice to start out these profiles.

One only has to close one's eyes and listen to our gifted musician and choir director, **Ashley Paine**, with magic offers the preludes and postludes. Watching her fingers and then seeing her smile at her gifted singers just blows me away. Let's harvest some facts about why they perform like they do. Maybe it is their prayer together which touches me as well. In my questions to the members, the responses were joyful, starting with Ashley who joined us in January of 2015 and enjoys her members fully. "Always sing like no one can hear you." I used to put on my Walkman headphones and "sing" along to Mariah Carey's high notes. I thought I sounded just like her, but my mother and sister would tell you differently. Playing instruments was always my passion—piano and flute—but it was when I got involved with musicals in high school and the University Chorale in college that I realized I really loved to sing. In my career as an elementary music teacher, I love to sing with children. Her favorite piece today is "Come, Thou Font of Every Blessing."

older brothers sang and played guitars, and she sang with them and they gave her a baritone uke when she was 12. There was a lot of music in their house. She named four favorite

• **Jane Davis** moved to Chester in July of 2001 and answered Joe Grannis' call a month later for choir members. She never left and loves the blend of harmonies and working together and feels music is a fair and glorious gift of God." It is so satisfying to feel the progress from our first shakes reading to a finished piece, ready to share." Her two

hymns, the top being "Joyful, Joyful, We Adore Thee."

• **Chris Burchstead**, an alto, has sung in our choir for two years, but has sung in choirs and school choruses all her life. She loves to sing along with the radio while driving in the car. "Music is a universal language that makes people happy," says Chris. (Her sister, **Linda**, also an alto, sings beside her.) Linda shared that she sang at her sister's baptism. She

believes she taught Chris how to sing! (I am just remembering our conversation.) Chris' favorite hymn is "Jerusalem."

• **Anita Wright** joined the team four years ago under Martha Stretton's reign. She began singing at age 14 in the Dutch Reformed Church choir in Newburgh, New York and sang in four different choral groups in high school and one in college. She sings with the Springfield Community Chorus. Favorite hymns "Abide With Me" and "Morning Has Broken." She thinks Ashley is a gift.

• Long-timer **Belinda Whipple Worth** believes her part-time involvement began about 25 years ago when she and her family joined St. Luke's. As a child she was in her elementary school glee club. She admitted she did not sing around the house much. When she did sing, her older brother would always say something like, "Shut up, songbird!"

Her grandmother, who was a nationally recognized voice teacher in Boston and president of the Singing Teachers of America for decades, advised me to NOT sing after she had me audition for her at the age of about 12. Today she loves singing in praise of God and to his glory and she says, "This desire has helped me to improve my singing over time." Gospel and Celtic hymns with a soulful theme are her favorites.

• Lest not forget **Pat Fromberger** who has been singing in an Episcopal church choir since she was 10 years old back in her hometown of Easton CT, so it was a natural progression to join the choir at St. Luke's (about 4 years after moving to Vermont in 1976.) Andrew G. Osmun was the Rector and Susan Klein was the

church musician and choir director. Historically at that time the choir had 16 members (10 women & 6 men)—an all time high! Music has always been a part of her life. Pat's oldest sister played the piano and was always getting her two younger sisters to sing with her. Music was a part of family gatherings, especially at Christmas. The family listened to lots of records and loved the musicals of the day, and Pat's mother would spontaneously break into song at a familiar word or phrase just as Pat does today. Music was also an important part of the curriculum in both elementary and high school. In college when she joined the chorus. Pat cannot pick just one favorite hymn, but "Holy, Holy, Holy! Lord God Almighty" and the anthem, "Deep Within" by David Haas, rank high on her list. Finally, Pat says, "I enjoy singing in a choir because it presents an opportunity to create a harmony of voices and it is both challenging and fun to sing various music arrangements. I love the special fellowship and bonding that results from a group of people singing together. For me it is also a spiritual experience and a way to praise the Lord—and at times a prayer."

So thank you for these special people with extraordinary gifts of singing and sharing. Keep it up!

Editor's Footnote: Linda Fawcett (Chris Burchstead's sister) has been a regular member of St. Luke's choir for three plus years, lending her strong alto voice to our blend of harmonies. Also not mentioned here, but nonetheless very appreciated, are those occasional members: Lillian and David Willis, Janet and Rick Hunter and John Hoover—who all share their musical talents during the seasons of Easter and Christmas and other special worship services.

February Vestry Meeting Highlights

The Vestry met on February 1st with all ten members present. The meeting began with Treasurer Kathryn Wright reporting the good news that a successful January had put the church into the black for the month. The meeting then segued to maintenance and improvement projects and other regular agenda items.

• **Construction & Improvements:** Junior Warden, Andrew Pennell, is pursuing bids for various building projects, repairs, painting the church, and building a wheelchair ramp to replace the non-functioning handicapped-access elevator. These written bids are required for Kathryn's application for a Butterfield Loan from the Diocese. To increase lighting in the choir area, Andrew secured a bid that would change the overhead lights to modern LEDs

to save on electricity and power and, thereby, allow a new line from existing sources to the choir area. The Vestry approved spending up to \$1500 for the extension of wiring for track lighting that Andrew would donate, plus the new LED lights for overhead. The inconsistent front outside sensor light will be addressed when the other electric work is done. Andrew is also making a final decision on new computer for the outside office that will have publishing software, Excel, and the capability for management of the new website.

• **Rector's Report:** Heidi announced that the Worship Committee was officially reinstated as of January 30, 2016. She also said that she would be taking a two-week vacation after Easter. Plans will be forthcoming to deal with the worship services on April 3rd and April 10th—the Sundays Heidi will be away.

• **Focus Topic: Outreach:** Jane Davis distributed the list of the 2015 charities St. Luke's supports and also stressed the many different kinds of ministries supported by the church and parishioners. The list of those willing to drive fellow parishioners to necessary appointments needs to be updated. Janet Hunter will assume responsibility for being the parish contact person for the United Thank Offering—a job that Norm Harrison had previously done.

• **New Website:** The website is now live, and additions and corrections should be sent to Marti Assenza, who – with Lew and Bonnie Watters – worked with Springfield Tech students to create the site with minimal money and fuss. The Vestry approved thanking those involved at the school with a Visa gift card: \$100 to the teacher and lead student and \$50 to the other student who worked on the project.

• **Parochial Report:** Kathryn completed the factual report about attendance, etc., that determines our annual Parish Assessment. Accepted by the Vestry, the report was signed by the Secretary and submitted.

• **Parish Directory.** Pat Fromberger will create the 2016 version with updating help from Marti, Jean Hancock, and Janet Hunter. She hopes to have the booklet completed by the end of March.

• **Next Vestry Meeting:** March 7 with Maintenance as the Focus topic. —*Lillian Willis, Secretary/Clerk*

A Thank You Note

I wish to thank everyone for all your prayers, cards, meals, and other kindnesses during my time of recovery. I am very thankful to be back home in Vermont and my ankle is slowly beginning to mend. It means so much to know that I have been surrounded by your love and caring.

St. Luke's Shrove Tuesday Pancake Supper Enjoyed By Many

Lew Watters (our master flapjack flipper) enlisted the aid of two last-minute assistants, Norm Wright and Joe Fromberger, to help keep up with the demand for more feather-light pancakes to feed the hungry gathering of twenty eight guests at the Shrove Tuesday Pancake Supper on February 9th. Many thanks to Bonnie Watters and Kathryn Wright for setting up for the supper and making sure the maple syrup pitchers were kept full and everyone had plenty of savory sausages and fresh fruit cup to satisfy their palates. A special thank you as well to everyone who helped to make this a such a joyful event—especially to Sean Buchanan for donating the Black River Produce sausage links and to Dave & Lillian Willis for donating the Vermont Maple syrup.

The Outreach Corner

Operation Christmas Child

Cindy will be away until April, visiting her mother in Florida, but she asks that we all continue to keep saving any recycleable items for the Operation Christmas Child project this year. Any type, shape, and size of covers or lids are needed as well as any kind of laundry detergent covers, mouthwash bottle covers, and the little rings from milk jugs to make some different games. There is a large plastic basket underneath one of the side table in Willard Hall where people can leave their donations. Many thanks.

If anybody would like to help make mittens for the shoeboxes, Cindy has a very easy knit pattern. Just send her an email message at cinrw@yahoo.com and she will get it to you. A link for an easy crochet mitten pattern is: <http://www.bevscountrycottage.com/bevs-topdownmitts.html>

Soldier Notes

Let's not forget the soldiers we are supporting. Thank you so much to the Sunday school children who made valentines for the soldiers and to all who have written notes. They really appreciate our support. Currently there are 2 or 3 letters from the soldiers posted on the bulletin boards for all to read and hear how much our cards mean to them.

In prayer, alone, we come before God. We can put down whatever work we have and unburden ourselves of our worries. We are able to listen to what the Spirit is saying to us in and through our lives. —*Forward Day By Day; March 2014*

Lenten Adult Study Continues

Our Lenten Adult Study on, "Can You Drink the Cup" by Henri J. M. Nouwen, will continue through March. Using Luke's Gospel, this book explores the deep spiritual impact of Jesus' question to James and John, the Sons of Boanerges (Luke 22:24-27). By using the images of holding, lifting, and drinking, Nouwen reflects upon the cup as a symbol of the basics of our spiritual life. We invite you to join us on either Wednesday mornings in Willard Hall (10:30 a.m.-11:30 a.m.) or Sundays after the 10:00 a.m. worship service (11:35 a.m.-12:30 p.m.) in the Rector's study. Speak to Rev. Heidi if you need a book.

Pledges were very strong in January and we received our quarterly interest payment for the rectory sale. As a result, our income figure is 'way ahead of what we projected, and our bottom line ("Net Income") for the month is a very healthy \$3,878. Our expenses were significantly below budget, due to the continued decrease in the cost of oil and great stewardship in operating the Altar Guild, Communications and Worship. St. Luke's is blessed to be financially healthy while many churches around us struggle. Thanks be to God.—*Kathryn Wright, Treasurer*
